

Group Discussion of Albee's *Finding the Sun*

Couple _____ Group Members _____ Spokesperson _____

Procedure: Introduce yourselves. Spokesperson take notes on this sheet (can use back if necessary) . Try to find quotes to illustrate points/observations. Turn in this sheet after the spokespersons present.

1) Describe the background/situation of your couple. What does he or she or want from each other? What obstacle(s) stands in his/her/their way?

2) Are your characters animal or vegetable? Prefer truth or illusion? Domineering or domineered? Can you deconstruct these (or other) binaries based on the characters? (the obvious other one: Straight/gay)

3) Compare/contrast your characters to characters in other Albee plays we've read.

4) Is there any significance to the characters' names? To the first letter of their names in this sequence of names going from A to H?
