

## Group Discussion of Albee's *Three Tall Women*

Spokesperson \_\_\_\_\_ Group Members \_\_\_\_\_

Procedure: Introduce yourselves, then find quotes to illustrate points/observations. Spokesperson: Write your group's comments on each question below (can use back if necessary). Turn in this sheet after the spokespersons present.

### Compare/contrast your character in Acts 1 & 2

1) What is your character like in Act 1?

2) What is your character like in Act 2?

3) Do similarities suggest something about the AGE (as in the "Ages of Man") of your character?

4) Do differences suggest something about the different time periods?

A is the tall woman at 92 in the late 1980s

B is the tall woman at 52 in the 1950s

C is the tall woman at 26 in the 1920s

Or how women of their age acted in the different time periods?
